

PVC-U Drain Waste and Vent Pipe

Solvent Cement & Rubber Ring Joint - Non Pressure Applications Only

Novadrain is a range of high quality PVC-U Drain, Waste & Vent (DWV) pipes and fittings from Iplex Pipelines. They are suitable for above ground waste and vent applications, below ground domestic house drains, urban gravity sewer mains and Industrial gravity discharge lines.

Novadrain is certified to comply with the requirements of Best Environment Practice - PVC.

Novadrain pipes and associated PVC-U fittings are independently certified in accordance with the test requirements of AS/NZS 1260 - Standardsmark Licence No SMK20184 and SMK20185.

Product Summary

Novadrain DWV pipe is a solid wall pipe available in sizes from 32mm to 80mm. Product and ordering information can be found below. For more information please contact Iplex Pipelines.
