

# Criteria for returning Polyethylene (PE) Pipes

PE pipes are 100% recyclable and can be reprocessed and manufactured into new pipes. Iplex can accept any NZ manufactured PE pipes and offcuts.

Yes Please!	No Thanks
Clean Iplex NZ Manufactured PE pipes and off-cuts	Heavily soiled/dirty pipe or used Sewage pipe
Minimal dust and dirt on the outside and inside walls of the pipe	Electrofusion or mechanical couplers or non- PE items or general waste
Maximum Length - 500mm	

Iplex reserves the right to charge the customer after collection if:

- i. The crate is damaged prior to collection.
- ii. The crate is not able to be returned.
- iii. Clean pipe offcuts are contaminated.
- iv. The site is not accessible as time of collection.
- v. A hiab is required for collection.
- vi. If pipe offcuts are not Iplex products.
