

WaterMark

Certificate of Conformity

Pro-Switch Pty Ltd grants to the WaterMark Approved User:

Plastec Australia Pty Ltd

Trading as Plastec Australia Pty Ltd

the right to use the WaterMark as shown above in conjunction with the Certificate No. on product/s as identified in the WaterMark Schedule and as listed on the WaterMark database www.abcb.gov.au/Product-Certification/WaterMark-Certification-Scheme which have been shown to comply with the appropriate Applicable Specification referred to below and as amended from time to time. The WaterMark User is granted a licence to use the WaterMark subject to the rules governing the use of the WaterMark.

Product Type:	Waste Fittings
Product Use:	Sanitary Drainage
Brand:	PLASTEC
Certification Specification(s):	AS 2887:1993 Plastics waste fittings
Conditions or Limitations:	To be installed in accordance with Plumbing Code of Australia (PCA)

Issue Date: 8th August 2024
Initial Issue Date: 9th June 2009
Expiry Date: 11th October 2028

Simon Clarke
General Manager

Certificate No.: 239

This Certificate is issued by a JAS-ANZ accredited certification body. The ABCB and JAS-ANZ do not in any way warrant, guarantee or represent that the product the subject of this Certificate conforms to the WaterMark Certification Scheme Rules, nor accepts any liability arising out of the use of the product. The ABCB disclaims to the extent permitted by law, all liability (including negligence) for claims of losses, expenses, damages and costs arising as a result of the use of the product(s) referred to in this Certificate. The WaterMark Certification Scheme is a conformity assessment scheme based on ISO/IEC 17067. This Certificate may only be reproduced in its entirety.
